

2ND WORLD CONFERENCE OF INDIGENOUS WOMEN

Together for wellbeing and Mother Earth

From August 12th to September 2nd, 2021

Towards the Second Global Conference of Indigenous Women, we aspire to deepen the debates on strategies for advocacy, in decision-making spaces for the recognition and protection of the rights of Indigenous Women, promoting good practices and including our own contributions as Indigenous Women.

The 2CGMI will be held in a virtual format during the month of August, two sessions per week, in order to facilitate the participation of all regions. It will start on August 12, and will end on September 2, with the adoption of the Global Political Declaration.
